CORRECTION - CORRECTION

We hasten to respond to Todd Vaughan's correction of page 8, GKG IV/93 : the photo on the right showing TA, TheAccomplice at Parkland is a photo of Tom Dillard at Parkland.

We talked to Richard Trask in Danvers whom Dillard had told he was wearing his London fog raincoat and a cap that day. With its press card askew it can be seen in one of the John E Miller set of post-cards showing AirForce One at Love Field.

Looking carefully at Tom at Parkland you can see the raincoat does not gather at the waist as it does in Bothun 4.

Thanking Vaughan and Trask we proceed to find how Admiral Burkley and the Secret Service knew that unexpectedly, The Umbrella Man's flêchette was lodged inside the President's neck.

GKG's \$ 25,000 FUND-DRIVE

On or about Labor Day 93, JFK Assassination Information Center will move six blocks southeasterly along and across Market St to new space, and new exhibits in it, into the KATY Building.... just across the street from the JFK Memorial, the Cenotaph.

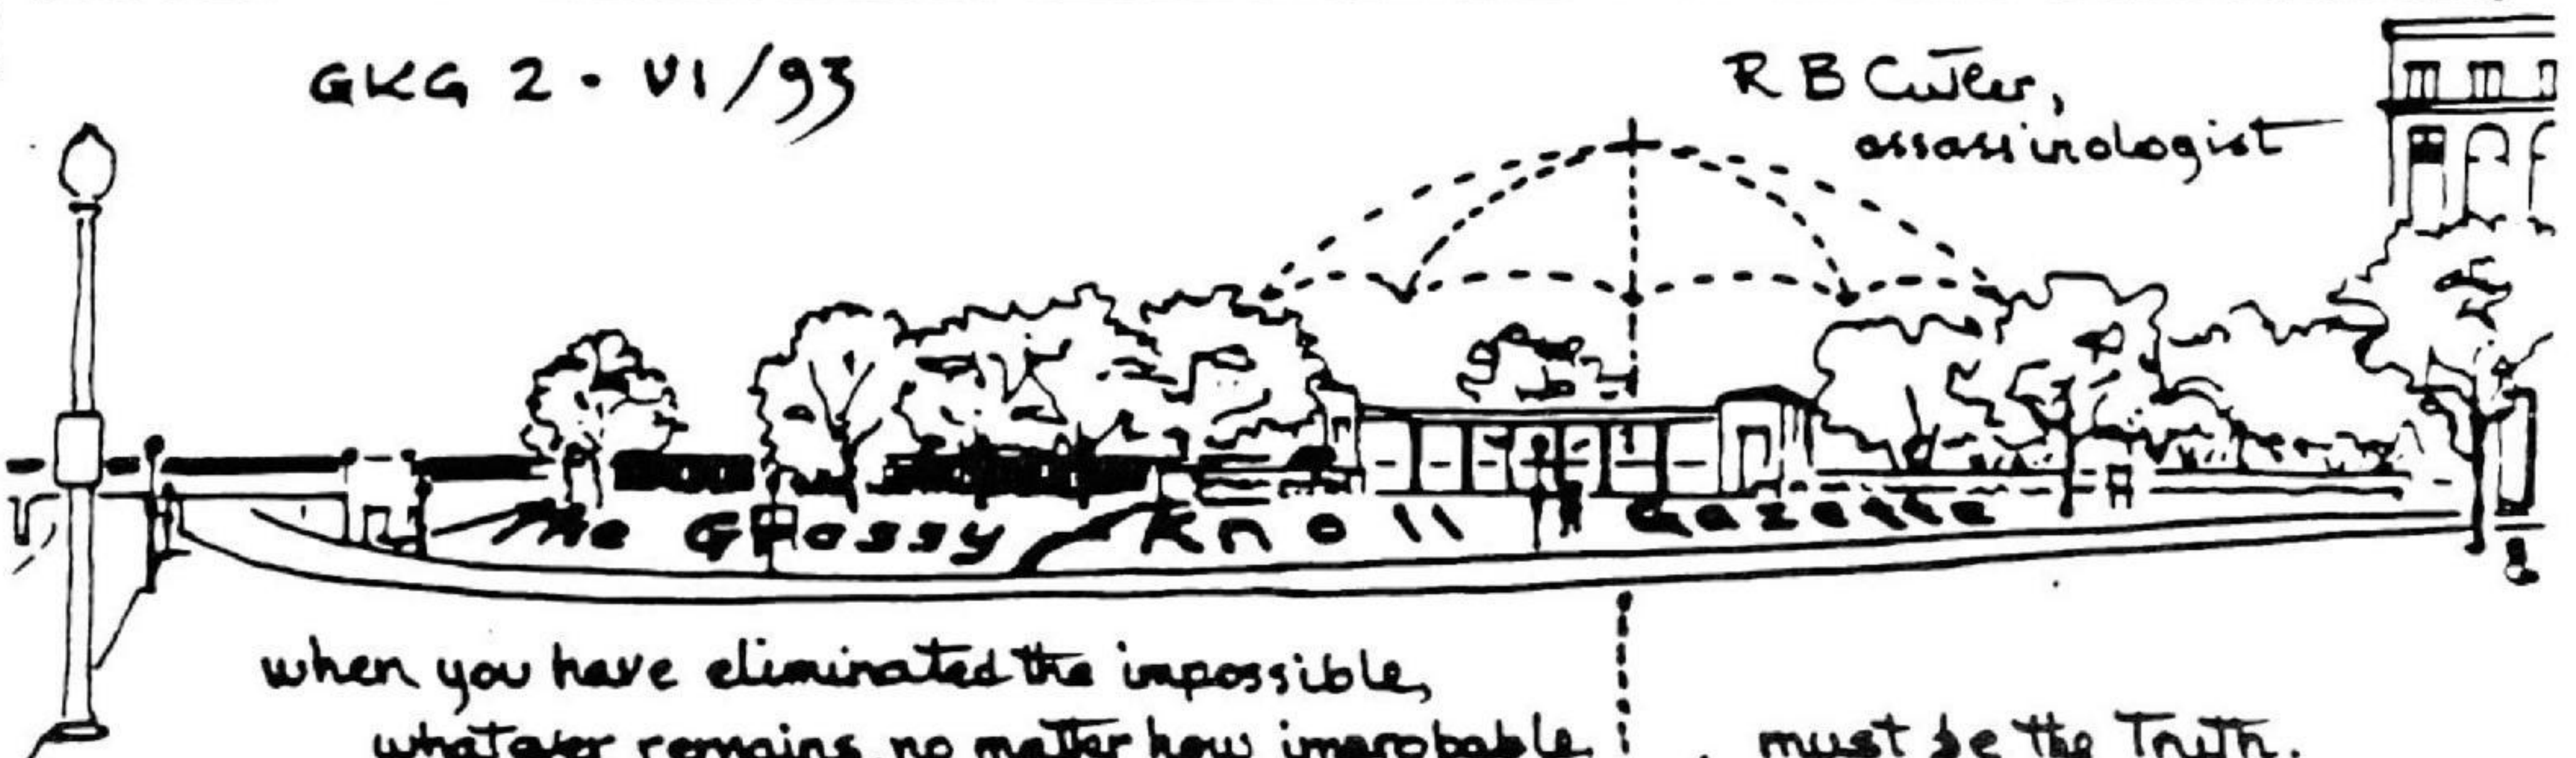

The cost estimate is \$75,000; JFK AIC may be tax-exempt by XII/93. GKG has raised five of its own fund drive for one-third of the 75, and asks you to contribute generously ...of course. Contributions can be sent to GKG and they will be forwarded ...or if you prefer:

CHK/MO to JFK AIC KATY FUND (over) for deposit only
mail to JFK AIC KATY FUND box 40 603 Munger Ave Dallas TX 75202

The superconducting supercollider is to run a 54-mile course around Waxahachie.

Everything's up-to-date in Waxahachie;
They've gone about as far as they can go.
They've got Penn Jones surrounded
But they don't know what to do;
The CIA is running out of dough.

One of his books was fat and pink and purty,
As True above as it was True below.

They swore that it was lying
From its cover to its heel,
But later in another book

When Justice let it peel,

He proved that everything he wrote was ABSOLUTELY REAL!

They let him go as far as he could go;

Dean : ...bank records July 1969 thru June 1971
there come Chappaquiddick with a vengeance

Pres : (unintelligible)

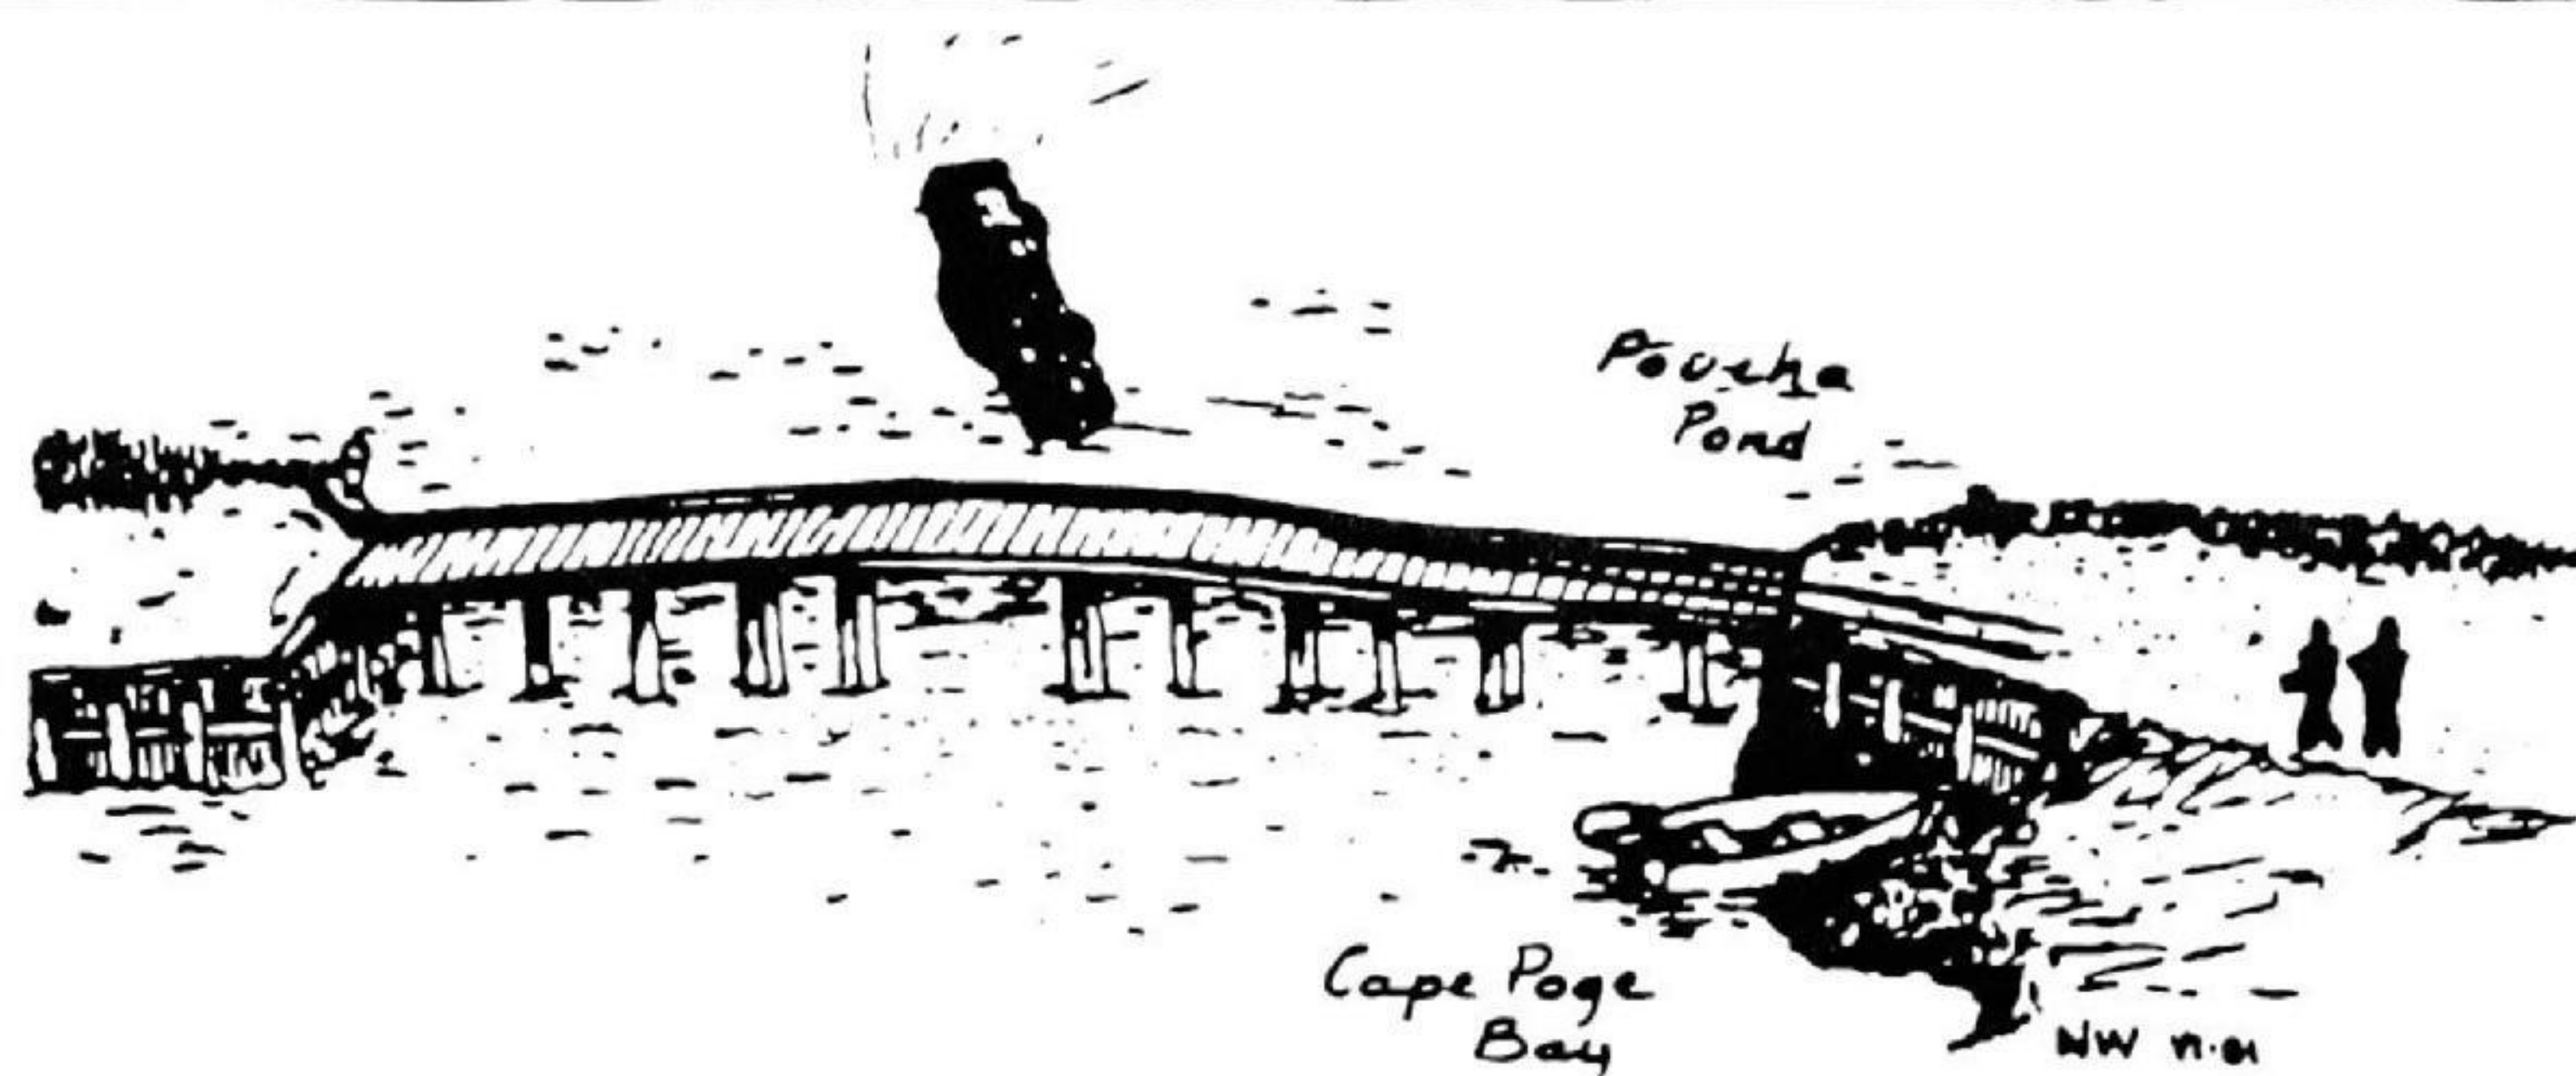

Dean : if Kennedy knew what a beartrap he was walking into

Soon the first three decades after the Coup d'Etat in Dealey Plaza will become history ...the history of lies to which there is a consensus a consensus tilted to and warped by Coverup....

Why do assassinologists follow Coverup and the media in their refusal to include the Bridge at Chappaquiddick in the murders of the Sixties? We need to clean up the Grassy and Bushy Knolls, the

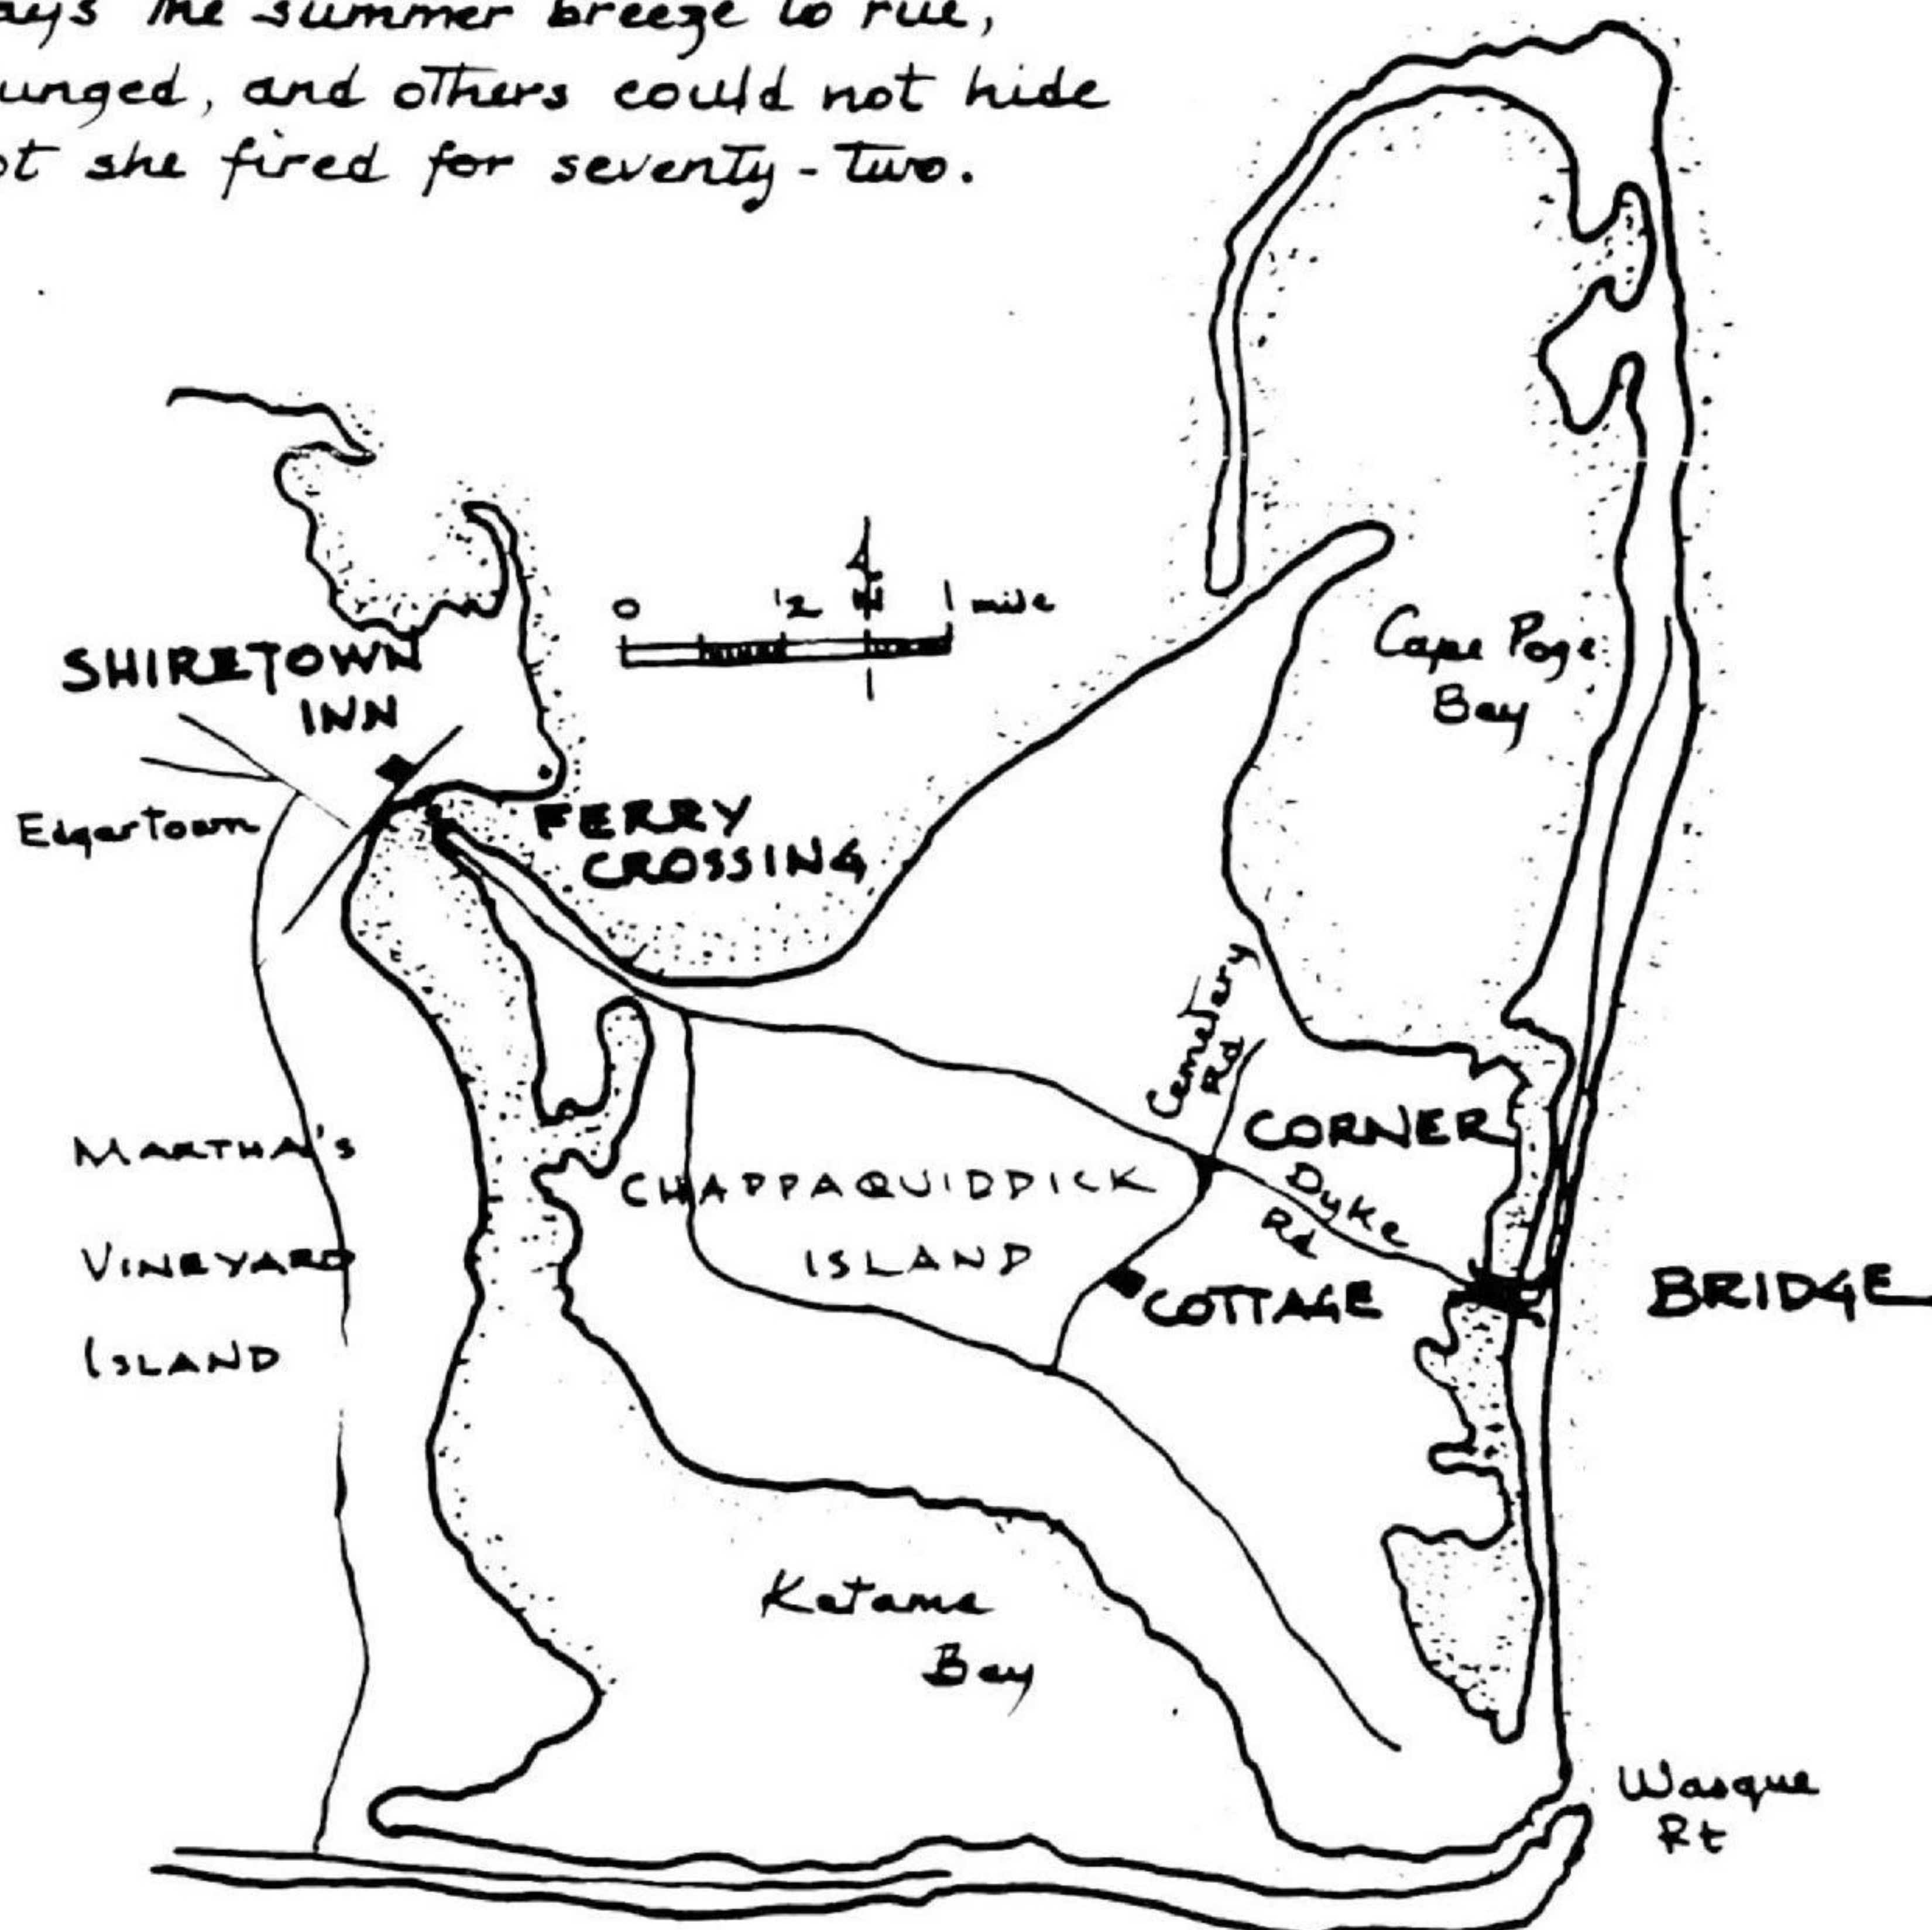

Pantry and the Pond.... *Makin, man your brooms We, the People need the Truth*

CHAPPAQUIDDICK COTTAGE COOKOUT

Off the Dyke Bridge that arch'd the tide,
Her days the summer breeze to rue,
She plunged, and others could not hide
The shot she fired for seventy-two.
